

**WORK IN
DENMARK**

Looking for a job in Denmark? Workindenmark has made it easy for you

'Make It Work in Denmark' is an **e-learning** course about job search in Denmark. The course consists of four modules that provide insight, knowledge and tips on finding a job in Denmark.

MAKE IT WORK IN DENMARK E-LEARNING COURSE

THE FOUR MODULES ARE:

- Job search in Denmark, create CV and cover letter
- Contacting companies and succeed in job interviews
- The use of LinkedIn in your job search
- An introduction to Danish workplace culture

Get started at

Stacey, an Australian healthcare professional living in Aarhus, experienced the course as follows:

'I thought the modules were very engaging, interesting and informative. The information was relevant and presented in an easy-to-understand way. I particularly liked the variety in the way information was portrayed (ie text, videos, flip cards, quizzes) as this helped keep the reader interested throughout the modules.'

WORK IN DENMARK

Workindenmark is part of the Danish Ministry of Employment. Workindenmark is a non-profit recruitment organisation facilitating the contact between Danish employers and international candidates. You will find a list of vacancies at www.workindenmark.dk.

If you experience technical difficulties in starting the e-learning course, please feel free to contact workindenmark@workindenmark.dk. We are ready to assist you to a good start.
