# Strengthen your position in the competition for highly skilled candidates – partner with Workindenmark

---

**We focus on attracting and recruiting highly skilled candidates from abroad and match more than 6,000 international candidates with Danish companies each year.**

**Workindenmark offers to:**

- make your vacancies visible to international candidates
- attract suitable international candidates
- assist in the recruitment process
- provide relevant information on international recruitment at [workindenmark.dk](http://workindenmark.dk)

# Greater visibility ensures competent candidates

---

Within the EU, the competition for highly skilled employees is growing. Attracting highly skilled employees to Denmark requires a focused effort.

As your collaborative partner, we help make your vacancies visible to international candidates, reaching out to a larger number of qualified candidates.

## We do that by:

- advertising your vacancies at [workindenmark.dk](http://workindenmark.dk)
- presenting your vacancies at job fairs abroad
- contacting suitable candidates and drawing their attention to the vacancies at your company
- presenting you to qualified profiles from our CV bank

Kamstrup has cooperated with Workindenmark for years and Workindenmark is a valuable strategic partner in our quest for international candidates. Workindenmark delivers both great insight in the international candidate market and relevant recruitment channels, as well as many international top candidates, which we have chosen to employ.

# A strong network

---

To identify qualified candidates and secure the right match for your company, we benefit from being part of an EU-wide network of more than 1,000 recruitment consultants.

**Rikke Voldsgaard Risager**  
*Vice President of Human  
Resources & Internal Services*

**Blue Ocean Robotics**

We are so happy about our collaboration with Workindenmark in procuring the brightest talents in Robot Development. Workindenmark makes a remarkable difference for both Blue Ocean Robotics and the Robot cluster in Odense.

# New talents and experienced specialists

---

Workindenmark has considerable experience in matching both larger and smaller companies with just the right candidates. We can help you, whether you look for new talents, experienced specialists or other highly skilled employees.

# We think globally...

---

Workindenmark has many years' experience in locating highly skilled candidates abroad, and we are used to working internationally.

## The figures speak for themselves

On an annual basis,

- we advertise around 8,000 vacancies which get more than one million views in total
- we meet more than 4,000 candidates at job fairs abroad
- we match in excess of 6,000 highly skilled candidates with Danish vacancies
- approximately 20,000 candidates create a CV in our CV bank

Nuevolution is a mid-sized biotech company, based in Copenhagen; however we have program and development partners working globally. For attracting high quality talent to our organization, we are relying on partnerships equivalent to the one we have with Workindenmark. The enthusiasm and professional supporting attitude of Workindenmark gives us the confidence that we can rely on a local partner operating in the same way we do; globally.

# Professional and efficient service

---

Workindenmark is a professional public service available to any company that needs help finding highly skilled staff from abroad.

We work closely with large, global companies and small companies that are about to go international.

Our aim is to make it faster and easier for private companies and public organisations to find the staff they need – and make sure that both parties benefit from the match.

Workindenmark is a company that operates under the Danish Ministry of Employment.
